

Net 4 Society

NETWORK OF NATIONAL CONTACT POINTS
FOR SOCIETAL CHALLENGE 6 IN HORIZON 2020

National Contact Points (NCPs) provide assistance on all aspects of participation in Horizon 2020.
NCPs offer personalised support in applicant's own languages.

Research Community

We support networking among SSH researchers & help with the drafting of proposals

SSH Integration

We promote successful integration of SSH research throughout Horizon 2020

Impact & Visibility

We foster visibility of SSH research & awareness of societal impact

National Contact Points

We improve the quality of NCP services for Societal Challenge 6
